If you want to have grand time, go with the First Baptist Sunday-school on its annual excursion to Charlotte next Thursday, July first. Fare round trip, only one dollar. The longest ride for that small sum is heard of. Don't fail to go with them.

The Misses Lockhardt, of S. Ima, were in the city this week. They came up on the excursion. While here they graced our sanctum. Their visit, although a brief one, caused cupid to get in some of his lines, and our chief clerk Taylor, Miss Clara is now the subject of his day-dreams.

The Children's Day exercises of the First Baptist Sunday-school last Sunday night was, as usual with that school, up to date. The church was crowded to witness the exercises. The children did well their parts and the singing was excellent. Over thirteen dollars was raised. Rev. Joseph Perry, the missionary of the A. M. B. P. Society was present and made a short talk.

Mr. W. S. Winn, one of Mount Olive's courteous and polite merchants, was among the excursionists who came to the city Monday, and while here was a welcome visitor at the GAZETTE office. Mr. Winn is a gentleman that knows and appreciates a good thing when he sees it; he has been a subscriber to the GAZETTE for two years, and in renewing his subscription, said, "let your paper continue to come."

Three cheers for the home boys! Goldsboro and Raleigh crossed bats. Monday afternoon the excursionists and the citizens of Raleigh gathered at the club of Goldsboro and Raleigh. The game was interesting and exciting from start to finish, and in spite of the skill and energy with which Goldsboro's boys played, Raleigh licked them by a score of 7 to 5. Goldsboro boys did well, and we congratulate them, but Raleigh's boys did better, and therefore take the prize.

Raleigh's colored population was increased by 1,000 or more Monday by the arrival here of two excursionists—one from Goldsboro and one from Clinton. They were quite orderly excursionists, only one person being arrested. Utch square, Pullen park, Moore square and other shady nooks and corners about the city, were thronged and respected by the people of the smaller towns between here and Goldsboro. They visited the Museum and all the other public buildings in large numbers in the afternoon. The News and Observer falsely stated that keeper Burns allowed no one to go out on the top of the Capitol Monday. A party of the excursionists and a GAZETTE man went out on the top of our stables without having even to ask permission.

Masonic. At the regular communication of Wilow's son Lodge No. 4, P. and A. M., on the 24th instant, the following officers were elected for the ensuing Masonic year by acclamation: W. F. Debnam, W. Base Ball. Louisville vs. Wake Forest, at Louisville, June 17, 1897. Louisville, 26 runs; Wake Forest, 10 runs. Louisville, 5 runs; Louisville, 8. Both games were only a little practice for Louisville. Look out Raleigh, we left these boys in the sands, and we will leave you as we did long ago. B. W. L.

To the Baptist Sunday schools of North Carolina. Your attention is called to remind you of the election of your delegates to the State Sunday-school Convention, which is to be held in the town of Louisville, N. C., on Wednesday before the fourth Sunday in September, 1897. It was recommended by a resolution of the Convention that the delegates be elected before the first Monday in August and their names sent to the Corresponding Secretary, Let every County and District Convention do the same. This promises to be a very important meeting. It is desired to have a very representative convention. JOSEPH PERRY, Cor. Secretary.

N. C. State Teachers' Association.

The North Carolina Teachers' Association met at the Teachers' Institute last week at Shaw University, President Vincent in the chair.

Address of welcome by President Meserve, responded to by Prof. John R. Hawkins in his usual eloquent manner. Hon. James H. Young delivered the welcome address for citizens of Raleigh, and was responded to by Mrs. C. M. Eppes, which met with applause. For the public school, by Prof. L. E. Capelhart; response by Prof. W. G. Pearson.

Prof. C. G. O'Kelley, Miss Maud Young and Miss Maggie Crowder furnished the music.

SECOND DAY'S SESSION. President Vincent delivered the annual address. It was bristling with bits of wisdom.

Prof. Logan D. Howell presented the subject of Geography in a very satisfactory manner, advancing many new ideas in the teaching of this branch of study.

"How can the Association be more effective for the best interests of Negro education?" Prof. S. H. Vick, of Wilson, Mrs. Chas. M. Eppes, of Tarboro, and Dr. E. E. Smith, of Goldsboro, discussed this subject in their different phases.

Prof. Vick and Mrs. Eppes laid great stress on the unification of the teachers. Dr. Chas. M. Eppes, of the State Normal and Industrial College at Greensboro, delivered a rousing address in favor of local taxation, urging that the teachers organize for the great conflict in August. He was responded to by Mr. Chas. M. Eppes, of Tarboro, in a vigorous speech full of energy.

A committee of three on local taxation was appointed, consisting of Dr. E. E. Smith, C. Dillard and Rev. R. H. W. Leak.

President Vincent appointed the different committees with the following persons as chairmen: Dr. E. E. Smith, Prof. N. C. Bruce, P. W. Moore, Dr. C. M. Eppes, Mrs. E. E. Smith, Rev. A. G. Davis, W. G. Pearson and J. A. Whitte. Association reporter, C. M. Eppes.

The school room work was presented by Prof. G. N. Hunter, D. P. Allen, J. W. Bryd and L. E. Capelhart.

The lecture of Dr. Scruggs on "School Sanitation" stamps him as a man of very great ability and an ornament to the medical profession. Space forbids a summary of his lecture.

The papers of Prof. J. W. Wilson and W. B. Crittenden were rich, racy and vigorous. They truly represent the learned men of the race. Prof. Crittenden began with a rousing address upon that built an affirmative sub-structure. It was truly a very strong paper in defence of the higher education. From the applause it was in evidence that the Association was represented by the Book or Washington idea of industrial education, as well.

President Meserve on School Government, and O. Faduna on How to Cultivate a Love for Reading, presented their subjects in an interesting and unique style.

President J. B. Dudley, through Prof. H. H. Falkner, presented a paper that must not be regarded as an attack on higher education, but as a warning to the forces. The needs of our people were ably presented.

Reports of committees were presented and discussed. A report was referred to Prof. S. G. Atkins reached the Association time enough to aid much in its business.

The Summer Normals were much discussed, and a board of trustees was appointed to arrange all matters appertaining thereto.

Committee on Adoptions reported through Prof. N. C. Bruce, and the sixth section was stricken out and referred to the Committee on Constitution.

The Committee on Time and Place reported through Mr. John R. Barlow, of Goldsboro.

Prof. F. W. Moore's Committee on Nominations report was referred, after the declination of Professor John R. Hawkins as a nominee for President, and Dr. N. F. Roberts, of Shaw University, was elected President.

The Durham Graded School teachers labored earnestly to impress their work on the Association—and creditable was their work.

The Committee on Publication, through C. M. Eppes, of Tarboro, reported. They recommended the resignation of Mr. Allen, in honor of Drs. Tupper, Price and Prof. B. B. Goins.

The Committee on Nominations reported, and a storm ensued.

An amendment of Prof. S. G. Atkins that the morning report be substituted, except Secretary and the placing of Prof. Crittenden on the Executive Committee, was adopted.

The officers are: N. F. Roberts, President; J. H. M. Butler, Secretary; Mrs. G. C. Shaw, Assistant Secretary; Mrs. (Dr.) E. E. Smith, Treasurer; S. H. Vick, A. J. Griffin, W. B. Crittenden and J. A. Whitte, Executive Committee; Dr. E. E. Allen, C. M. Eppes, W. G. Pearson, K. W. Telfair, C. N. Hunter, and others, Vice Presidents.

The chapel, on Sabbath, was crowded to hear the address of Rev. C. C. Somerville, which was heard with interest. Resolutions were offered by Rev. G. C. Shaw—which appeared in the News and Observer and which the GAZETTE is requested to copy.

Miss Ruffin, of Kittrell, delivered a toast brimful of wit and wisdom. She is an able woman.

The 16th session adjourned, after a reunion on Monday morning at 9 a. m. on the campus of the State Normal.

Prof. J. H. M. Butler, of the A. and M. College, is a young man who has a bright future before him. He is a product of eastern North Carolina, and deserves credit for the success he has achieved in his profession. From a district school teacher he went to the Normal school work, from there he was promoted to a professor in the A. and M. College, and now the State Teachers' Association has promoted him to the office of Secretary.

ASSOCIATION REPORTER. In last week's issue, we mentioned the names of all the teachers in attendance at the Association that had arrived up to Wednesday evening. TEACHERS.—On the morning of May 18th the death angel came to the home of Mrs. Geyer, in Wilmington, and called her to her eternal home. She had suffered a long and patient sickness. She leaves three sons and two daughters to mourn their loss, but their loss is her eternal gain. May the Lord comfort the bereaved.

Eastern Snap Shots.

Judge E. W. Timberlake is holding this term of the Superior Court for Edgecombe County. The most interesting civil action of the term was Warren against the bondsmen of Nathan Boyd, Esq., ex-constable.

Quarterly meeting at St. Stephens M. B. was a success last Sunday.

The Board of Education elected for Edgecombe County is John A. Davis, Dr. W. T. Mayo and Henry Johnston, two Populists and a good Democrat. The "colored" brother failed to make it with his allies. Had Prof. Howard, the teachers' candidate, not refused to run, the Democrats on the board would have elected him with ex-Sheriff Cobb's vote.

Those of us who have labored for the advancement of the public schools regret the probable defeat of "local taxation."

Many teachers passed on the Southern for the State Teachers' Association. Prof. S. H. Vick, at the head of the Wilson delegation of teachers, joined the Hertford and Edgecombe teachers, with Mrs. C. S. Brown and Mrs. C. M. Eppes, of the aforementioned schools, through local charge, Misses Catharine M. Lewis, Clarissa Williams, Emma L. Lewis and J. R. Barlow and R. F. Eppes were among the party of teachers.

Dr. Smith and Prof. Dillard left Goldsboro on "wheels" for the educational "Mecca" of 1897.

Prof. Hargett looked cheerful and feels that it is only a matter of time as to his name being sent in for confirmation to the Senate.

Hon. Geo. H. White was in the "boro" on last Saturday and left for Wilmington, N. C., on Sunday.

The battle of ballots in favor of aiding our public schools through local taxation is being waged now, and it is to be hoped that a majority of counties may join the army of progress and Christian advancement.

A most excellent program was carried out at the "Mildred Public School," with Miss Emma L. Lewis as teacher, creditable to teacher and pupil, and it certainly would have given Prof. Hawkins and the Kittrell faculty satisfaction could they have been present.

Mrs. Sallie Rayner Martin spent a while in the "boro" and left for Raleigh to attend the Teachers' Association.

We have, once in a while, to remind some of the "crab-apple" teachers who never attend our State Teachers' Associations, that the day is surely coming in this State when none but live, progressive men and women who meet at these gatherings are to be counted upon to improve the cultured and refined air, are going to run the public schools. Mark this. The quick may win to-day, but to-morrow the strong, honest, consecrated teachers of the State will have their day.

The defeat of "Eastern Snap Shots" does not in any way dampen his ardor in fighting for the right. Black men and white wretches who dishonor our women need to be squelched. The fight for the triumph of decency will be kept up. Do you hear?

The Tent Sisters, of Wilmington, Off for Richmond, Va.

A large delegation of officers and delegates left the city of Wilmington Monday, the 24th, to attend the twenty-third annual session of J. R. Giddings and Jolliffe Union, of the District Grand Tent No. 1, which convened in the city of Richmond Tuesday, the 25th. Many of our teachers remember the grand sitting of this order in the city of Raleigh in 1896. Among those who went to Richmond were Mrs. Levinia Burghwin, W. G. P. S. M.; Mrs. Mariah Johnson, W. D. M.; Mrs. Laura L. White, U. The delegates are Mrs. Ida Cowan, Mrs. Jennie Dry, Mrs. Laura Loftin, Mrs. Emma Seward, and Miss Maggie Jones. The work of the Tent is gaining much popularity in this State.

WINBUSH.—Saturday morning, May 22, at the residence of Mr. Toos, Brinkley, corner Seventh and Bladen streets, Wilmington, N. C., Mr. Emmanuel Winbush, brother of our late pastor, passed quietly away. He had for some years been living North and returned home in poor health. He was a young man highly thought of by all who knew him. The cause of his death was consumption. We deeply sympathize with the bereaved family in their affliction.

NOTICE. Atta University will be closed during the Christmas holidays for all the session for the purpose of rebuilding the buildings that were consumed by fire last May, and also additional buildings. The University is located in the village of Oberlin, N. C., one and one-half miles west of the capitol building in the city. The location is the very best for a school, being out of the busy city, but within easy reach by means of the electric street cars. It is enough to say, that there has not been a single case of serious illness since the establishment of the school. Each dormitory is heated by stoves and hearths, so every necessary comfort is secured. The terms are very reasonable—\$7 50 per month. Those desiring to reduce their expenses by work will be taken at the lowest possible rates: young men \$6 40 per month; young women \$5 40 per month. A small incidental fee will be charged. The school will reopen on the 7th day of October, 1897. Our purpose is to make it one of the largest schools in the South for the race. Law and Medicine will be added. The institution is wholly non-sectarian in its religious instruction or influence. Yet earnest attention will be given to Bible study, applying its truths to daily life and conduct, that a thorough Christian character may be obtained. It is open to all students of either sex. Some but competent teachers will be employed. For further information, address the President, Rev. M. L. Latta, D. D. I will leave for the North and Europe the latter part of December or the first of January, and will return time enough to have buildings completed by the reopening of the school. The University will contain eight buildings. dec. 5-6 m.
